LSHTM Data Compass Statistics Report- 2015

Data Creators
Gareth Knight

Data Description
Download figures for LSHTM Data Compass during the repository's testing phase in May-June 2015 and following its launch in July 2015. Data covers the number of downloads per month, the most downloaded items in the repository, and the most popular authors on the basis of downloads.

Data Collection Methods
Downloads recorded by EPrints, the repository software on which LSHTM Data Compass is built. Aggregate report generated by the IRStats plugin (http://wiki.eprints.org/w/IRStats) using the following parameter: http://datacompass.lshtm.ac.uk/cgi/stats/report?range=2015&view_range=View

Data Analysis and Preparation
Content has not processed. However, column names have been modified from the default IRStat output to provide greater clarity.

Geographic regions
Not applicable

Key dates
Dataset covers the period 1-Jan to 31-Dec 2015.

Quality Controls
None. Report reflects IRStats output. The author does not have access to the repository's access logs to confirm its validity.

Species:
Human population

Privacy:
Data constructed using publicly available information.

Ethics
None required. Dataset produced using public source

Keywords
LSHTM Data Compass, data repository, downloads, 2015

Language of written material
English

Additional Information
Information on how download figures are captured and reported can be found in the IRStats documentation (http://wiki.eprints.org/w/IRStats).

Project Information

Project

LSHTM Research Data Management Service

Funder/Sponsor

Development of LSHTM Data Compass funded using the Wellcome Trust Infrastructure Support Fund.

Associated Roles

Role	Forename	Surname	Faculty / Dept	Institution
Data Creator	Gareth	Knight	Academic & Administrative Services > Library & Archives Service	London School of Hygiene & Tropical Medicine

File Description

Title	Filename	File type	Description
Data Compass – Downloaded Items	DownloadedItem-2015.csv	Comma Separated Values	Tabular dataset containing number of downloads associated with each record held in LSHTM Data Compass. Downloads may cover multiple files attached to the record.
Data Compass – downloads per month for 2015	DownloadsPerMonth-2015.csv	Comma Separated Values	Tabular dataset listing the number of downloads each month. This covers the live repository's testing phase in May-June 2015 and operational period following its launch in July 2015.
Data Compass – Popular Authors in 2015	PopularAuthors-2015.csv	Comma Separated Values	Tabular dataset listing the most popular authors in LSHTM Data Compass, on the basis of number of file downloads where they are listed as author.
Data Compass – Downloads per month graph	DownloadsPerMonth-2015.gif	GIF 89a - still image	IRStats-generated graph showing number of deposits during 2015, no. of downloads per month (blue bar), average number each month (red line) and other details
Data Compass – Statistic Report	DataCompass-Report2015.pdf	Adobe PDF 1.4	PDF version of a statistic report produced by IRStats.
