N triageask	select_one triage_list <input type="radio"/> Yes, assessed by health

<p>80 Now I'd like to ask a few questions about the way the facility is run and managed. Does the facility have a triage system – a system in which every patient who enters the facility is assessed (their vitals) whether they need to be seen urgently? Who does this check ?</p>	<p>professional (e.g. nurse) ¹ <input type="radio"/> Yes, but assessed by unqualified person (e.g. receptionist) ² <input type="radio"/> No triage system ³</p>
<p>N recordsask 81 Do you use patient records? These are files containing the medical history of a patient that do not leave the health facility. Are there patients who you don't create a patient record for? Please explain.</p>	<p>select_one records_list <input type="radio"/> Patient record for all patients ¹ <input type="radio"/> Patient record for some patients ² <input type="radio"/> No patient records system ³</p>
<p>N mtuhaask 82 Do you submit information on patient cases to MTUHA – the government's health management information system?</p>	<p>select_one yes_no <input type="radio"/> Yes ¹ <input type="radio"/> No ²</p>
<p>N patindsask 83 Do you monitor any patient indicators at this facility other than those submitted to MTUHA By patient indicators, I mean numbers which you measure to tell you something about whether the facility is providing quality services. For example, you might monitor the number of women referred to PMTCT. If you do monitor them, how many do you monitor? Can you give examples?</p>	<p>select_one kpi_no <input type="radio"/> 1-2 patient indicators ¹ <input type="radio"/> 3-9 patient indicators ² <input type="radio"/> 10+ patient indicators ³ <input type="radio"/> No patient indicators ⁴</p>
<p>N freqpatindsask 84 Do you regularly produce a report reviewing these patient indicators? By report, I mean a document in which you have tables or graphs to help your team review the performance of this facility. How frequently do you produce these reports?</p>	<p>select_one freq \${patindsask} !=4 R <input type="radio"/> Yearly ¹ <input type="radio"/> Quarterly ² <input type="radio"/> Monthly ³ <input type="radio"/> Weekly ⁴ <input type="radio"/> Never ⁵</p>
<p>N busindsask 85 Do you monitor any business performance indicators at this facility? For example, you might monitor the income from NHIF or cash patients. These are numbers which tell you about the business performance of the facility. If you do monitor them, how many do you monitor? Can you give examples?</p>	<p>select_one kpibusiness_no <input type="radio"/> 1-2 business indicators ¹ <input type="radio"/> 3-9 business indicators ² <input type="radio"/> 10+ business indicators ³ <input type="radio"/> No business indicators ⁴</p>
<p>N freqbusindsask 86 Do you regularly produce a report reviewing these business performance indicators? How frequently do you produce this report?</p>	<p>select_one freq \${busindsask} !=4 R <input type="radio"/> Yearly ¹ <input type="radio"/> Quarterly ² <input type="radio"/> Monthly ³ <input type="radio"/> Weekly ⁴ <input type="radio"/> Never ⁵</p>
<p>N targetask 87 Do you set targets for this facility to achieve? By targets, I mean specific numerical or quantitative goals which you aim for the facility to reach in the future. What kind of targets do you set – can you give examples? Over what period of time are the targets set?</p>	<p>select_one target_list \${patindsask} !=4 or \${busindsask} !=4 or \${mtuhaask} !=2 R <input type="radio"/> Main focus is on short term (up to one year) targets ¹ <input type="radio"/> Main focus is on long term (over</p>

	<p>one year) targets 2 <input type="radio"/> Combination of short-term and long-term targets 3 <input type="radio"/> No targets 4</p>
N trainask 88 Do you have a training plan in place to improve the skills of your health workers going forward? How many years does this plan cover?	<p>select_one train_list <input type="radio"/> Long term plan (more than one year) in place 1 <input type="radio"/> Short term plan (one year or less) in place 2 <input type="radio"/> No training plan in place 3</p>
N payask 89 Do healthcare workers in the OPD receive a fixed monthly salary? Or does the salary vary from month to month based on facility or individual performance? If yes, can you explain further? <i>Tick all that apply</i>	<p>select_multiple pay_list <input type="checkbox"/> Fixed monthly salary 1 <input type="checkbox"/> Share of facility revenue 2 <input type="checkbox"/> Bonus based on targets of patient numbers 3 <input type="checkbox"/> Bonus based on other measures of performance 4</p>
N appraisalask 90 Do you have any formal system to appraise the performance of healthcare workers? For example, in the government sector they use an appraisal system called OPLUS.	<p>select_one appraisal_list <input type="radio"/> Formal appraisal system exists 1 <input type="radio"/> No formal and regular appraisal system 2</p>
N inventask 91 Do you keep an inventory of your drug stock? That is, do you physically count how many of each drug you have from time to time? How often do you carry out an inventory of your stock?	<p>select_one invent_freq <input type="radio"/> Every quarter or more frequently 1 <input type="radio"/> Every six months 2 <input type="radio"/> Every year 3 <input type="radio"/> No inventory 4</p>
N budgetask 92 Do you have an annual budget of the likely costs the health facility will face over the next year?	<p>select_one yes_no <input type="radio"/> Yes 1 <input type="radio"/> No 2</p>
N profitask 93 Do you produce an annual statement of the facility revenue and expenditure? <i>Probe by asking about profit and loss statement</i>	<p>select_one yes_no <input type="radio"/> Yes 1 <input type="radio"/> No 2</p>
N OPD_present 94 Now I'd like to ask about how many patients of different types the facility treats. We are only interested in the number of patients, not the names of patients. If possible, I'd like to copy these numbers from your MTUHA records or original registers, to make sure the numbers are as precise as possible. Firstly do you have the following ... OPD (outpatient department)?	<p>select_one yes_no <input type="radio"/> Yes 1 <input type="radio"/> No 2</p>
N IPD_present 95 IPD (inpatient department)	<p>select_one yes_no <input type="radio"/> Yes 1 <input type="radio"/> No 2</p>
