## SECTION 8. VIOLENCE

Many women tell us that they can sometimes have problems with their clients and others being violent. By violent I mean humiliating, scaring, beating, hitting, slapping, burning, choking, threatening with a knife (etc) or forcing a woman to have sexual intercourse with them, even though they don't want to.

**Wanawake wengi wanatuambia kwamba wanaweza wakati mwingine kuwa na matatizo na wateja wao na wengine kuwa na vurugu. Kwa vurugu ninamaanisha kuwadhalilisha, kuwapiga, kuwagonga, kupiga mateke, kupiga makofi, kuchoma, kuwanyonga, kutishia kwa kisu (nk) au kulazimisha mwanamke kufanya ngono na wao hata kama hawataki.**

### INTIMATE PARTNER VIOLENCE

I would like to start by asking you some questions on experience of violence with your intimate (non-paying) partners. Later I will ask you about violence from others. We know that answering these questions can sometimes be difficult but we want to reassure you that anything you tell us will remain confidential and it is important for our study that you answer these questions honestly.

**Ningetaka kuanza kwa kukuuliza maswali kuhusu dhuluma na wapenzi wako maalum. Baadaye nitakuuliza kuhusu dhuluma kutoka kwa watu wengine. Ni muhimu kwa utafiti utupe majibu ya ukweli. Chochote utakachoniambia kitahifadhiwa kwa usiri mkuu.**

#### VIOLENCE FROM PEOPLE OTHER THAN AN INTIMATE PARTNER

We know that women can also experience violence from people other than an intimate partner, including clients, the police, city askaris, pimps, madams, other sex workers, landlords, strangers, goons, and family members. These next questions are going to be about violence you have experienced from anyone who is not an intimate partner.

**Tunajua kwamba wanawake hupitia dhuluma kutoka kwa watu wasio wapenzi wao kama polisi, wateja, kanjo, majangili na wauzaji ngono wenzao. Maswali yafuatayo yatakuwa juu ya vurugu uliyopata kutoka kwa mtu yeyote ambaye si mpenzi wa karibu.**
