

## Survey Interview Informed Consent form

**LONDON  
SCHOOL of  
HYGIENE  
& TROPICAL  
MEDICINE**

**Study title: Early implementation of WASH for Everyone: assessing adoption and implementation quality of a district-wide water, sanitation, and hygiene coverage programme in Chiradzulu, Malawi**

To be marked with participant's initials

Participant ID:

Participation	Participant Initials
1. I confirm that I have read or been read and understand the participant information sheet for the above study, version. I have had the opportunity to consider the information, ask questions and have had these answered fully.	
2. I understand that my participation is voluntary, and I am free to withdraw at any time, without giving any reason, without my work or community welfare being affected.	
3. I agree for photos of the inside and outside of my sanitation facility to be taken, and understand these photos will not capture either me or any of my family members and will be used to establish the quality of sanitation facilities available to my household.	
4. I give permission for fully anonymized data that I provide as part of this study can be shared with other researchers or made available in a public repository.
